

MY CLASSBOARD

For all those parents who want to know what’s happening in the class, how their child is performing, homework, assignments and other classroom activities, the parent app is the best solution for parents to keep themselves updated time-to-time from wherever they are.

Narayana Vidyalayam My Connect mobile app is a solution for the parents to connect with the school using a technological thread.

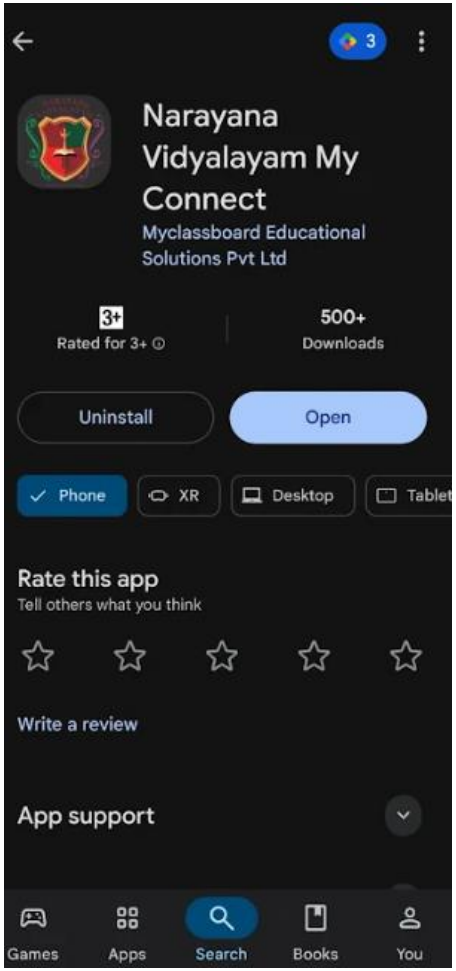

MY CLASSBOARD

Concerns

The Concerns Module help schools manage and track complaints, issues, feedbaack, and requests raised by parents, students, teachers, and other staff members.

It provides a centralized platform to register concerns, to the appropriate staff members, monitor their status, and ensure timely resolution.

Thank You
